## Welcome Message

### Welcome Message from ISPAD

Dear friends and colleagues,

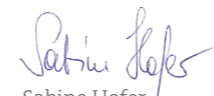

On behalf of ISPAD, we heartily invite you to the 43rd Annual Conference of the International Society for Pediatric and Adolescent Diabetes, to be held from October 18-21, 2017, in Innsbruck, Austria.

Located in the heart of Europe and surrounded by breathtaking alpine summits, Innsbruck is the perfect place to meet and reach for the summits of diabetes research and care. Our program will focus on current basic and clinical research and provide up-to-date reviews in the field of pediatric diabetes care.

The aim of our meeting is to stimulate thought and discussion and foster an exchange of ideas that will lead to improvements in the treatment and outcome of childhood diabetes. The program will provide ample opportunities to meet and challenge experts and to take part in lively academic debates.

Diabetologists and endocrinologists as well as diabetes educators, dietitians, and psychologists are warmly invited to join us in Innsbruck and contribute to this exciting and instructive meeting.

With our very best regards,

  
Sabine Hofer  
ISPAD 2017  
Conference President
